Lord,

Thank you that you have deposited everything I need for life and godliness. I acknowledge that the Kingdom is within me. Lord, what good thing have You deposited in me that I'm going to discover with You today?

Thank you that You fully intend to partner with me today in this discovery. I want to see as You see and be astonished by You today in what I discover. I want to learn to live astonished every day.

In Jesus name,

Amen.
