

# Prophetic Word

**Gathering: August 2023**

*Brilliant Church*

*NOTE – Ask the Lord which segment of the prophetic word He wants to use at this moment. It is put into six elements to aid your focus.*

- 1.** Beloved, please do not underestimate our passion and delight for Jesus in you! We are delighted to disciple, and mentor you in the Life that We most want you to receive. Beloved, I am an absolute; I never change! I am absolutely passionate about making you in my image and according to my likeness.
- 2.** We love you in the same way that We love Jesus. We never get tired of saying that because it is Our primary purpose. After all you and He are One! Our presence in you, with you, becomes the gift of learning that empowers you to become unchanging in Our heart and mind. How we are towards you becomes how you walk with us.
- 3.** Everything that is in Our nature becomes the gift of presence in you. You cannot earn these gifts, beloved, you must enjoy learning them with Us. We will make your learning a delightful encounter with goodness and kindness. Take our yoke of partnership, and learn in Us.
- 4.** This is a time of refocus. Learning does not start with you! It begins with the gift that we give you. It works by our will, not yours. We work in you both to will and to do, of our good pleasure. (Philippians 2:13) You are our workmanship created in the Beloved Son for Good Works to occur often. We have prepared so many things for you to enjoy living in us!
- 5.** This is a time of regeneration. Put your eyes only on Jesus. Your old behavior is dead. We have given you a new identity because you are a new creation! We will teach this new identity so that your freedom develops out of Our fellowship in you.

**6.** As the Creator, my focus is on you abiding in my beloved Son. You are a superb new creation, never seen in the earth before Jesus. Arise! Rise up in newness of life. I give you My Unchanging Presence, so that I can train you in my image and likeness.

Let our passion for you in Jesus, take away all fear, doubt, and unbelief.

In Jesus name!
