Father,

Thank You for your kind intentions towards me.

Thank You that this whole process is about me becoming rooted and grounded in your love.

Thank You that your Trust in me, will take my Trust in you, into a whole new level of relational engagement.

I know that there will be some tough days in my learning focus. I am very confident that your love for Jesus in me, will empower my learning and my lifestyle in the Kingdom.

In Jesus name,

Amen.
