Dear Father,

Your Love is absolutely wonderful.

Your gift of Life in Jesus is amazing and astonishing.

I am going to be totally delighted in practicing trust from my safe place in Jesus.

Thank you that your kind intention is to provoke and produce your Goodness to become a way of life in my heart.

Thank you for Elevating Trust in a dynamic lifestyle with You.

I choose today to anchor my trust in the finished work of the Cross. The Redeemer who lives in me is so very passionate about His Life setting me Free.

I look forward today to experiencing the Elevation of my heart into yours.

Thank you for this beautiful process of eliminating an old practice and elevating a new lifestyle as the beloved of God in Christ.

In Jesus Name

Amen
