Brilliant Church

Father, we rejoice that You give us Your inheritance in Jesus. We love Your kind intention towards us and we choose to pursue Your righteous purpose for us in Your beloved Son.

He is a marvelous inheritance for us and we give thanks for Your amazing gift in Him.

Thank you that You are creating a whole new identity for us to walk in His blessing. We love how thorough You are in regard to the blessing You wish us to enjoy. That You purposefully say that nothing is wrong, only some things that are missing and You will complete that process of beholding and becoming.

No one loves us like You love us. No one sees us with such joyful purity as You. Your loving kindness is so beautiful and gentle. We value Your heart towards us. We embrace Your truth at work in our hearts. This is the Lord's doing and it is marvelous in our eyes.

Thank you that Your gift of presence goes with us, that we are led by green pastures and still waters.

In Jesus name,

Amen.
