

# Crafted Prayer

**Gathering: November 2024**

*Brilliant Church*

Father,

Thank you for Your passion for me that creates expectations of Your presence. Thank you that Jesus purchased my expectation on the Cross by His death and His resurrection. He paid the price so that I could be unlimited in my walk with You.

I praise you, Father, for the beauty of Your heart's affection for me. I joyfully receive expectation as Your gift to me. I am excited about learning how to see it and think of it as part of my inheritance in Jesus.

I do want to walk with You in Newness of Life. Thank you, Father, for Jesus and the Holy Spirit. Thank you for coaching me in this new lifestyle of favor with You all!

Thank you that Jesus deserves me to be free and blessed in Your Kingdom. I give You thanks that I can anticipate Your goodness always, and that I can expect to see Your favor working in me and for me.

In Jesus name,

Amen
