Brilliant Church

Beloved,

This will be a year of renewal so that your fellowship with Me becomes a place of development into a Kingdom lifestyle in My beloved Son.

A huge part of your growth comes from My joy in you as you learn to step away from your old self into a new lifestyle of constantly saying “yes” to My Son in you. I want you to understand that you are actually “free” right now!

I am creating space for you to accelerate your learning into actually becoming a new creation by partnering with Heaven in a new and living way. My intention is to prepare you to walk in more victory than ever before. This is the year of your rising – to escape the drudgery of the old nature and progress to a greater dimension of personal freedom. My intention is to overwhelm your heart with the beauty of Our presence.

The Creator, the Redeemer, and the Spirit of Wisdom and Revelation are all delighted to empower you through Their love of grace and power combining inside Our Spirit. There can be no shame, blame, or condemnation in the learning process. If you don’t pass the test of being new in any lesson, We are delighted to empower you to start afresh!

As you love the learning with Us, the stress will diminish because We are in the process with you. The upgrade is not about what you do but is fixed on who you are becoming in your heart. Our love for you will create in you the joy and peace in believing. We want you to love being in Christ. We want you to learn the practice of abiding in the beloved Son so that you come into a relationship focused on becoming NEW in every possible way.

Christ, who is your life, will empower you to grow into every space that We create with you and for you! We want to upgrade your image of yourself! You are in Jesus now, and we are building a new identity.

Jesus, for the joy that was set before Him, endured the Cross, so that you could be totally free in His presence. Your freedom is vital to the cause of the Kingdom on earth. Your identity is a major key to the quality of life with Jesus. "As He is, so are we in Christ!" All of Heaven is attracted to you in Jesus. We believe that implicitly. Join Us in the process of beholding and becoming.

As you walk through this year, We want to empower a simple faith in you that empowers your growth in any and every area. This is the year of "Yes and Amen" in the Beloved. We say "yes!" to growth in newness of life. We agree with your empowerment through Heaven on earth in your lifestyle.

There are tests that you have not passed before in your circumstances. Beloved, this is a new day with new power for you to receive. As you grow in Our presence, it is the upgrade in Jesus that passes the test. You are one with the Beloved of the Father so that you can go further in your fellowship with Him. All of Heaven is attracted to Jesus in you! Isn't that Beautiful? Say "yes" to the anointing in you, because Jesus is ever present in all your life situations.

You are never alone. He is your magnet for blessing, favor, anointing, and the fullness of God. Let your 'yes' be YES!! There is no negative language in the Kingdom. There is a constant, consistent "YES and Amen" in Christ in you.

More peace than you've ever had. A greater trust than ever before. The joy of the Lord becoming a greater strength in you! This year, you put stress, fear, anxiety, etc. in your rear view mirror. We want you to take advantage of Our oneness in your heart. All things really are possible!

I Am is your Father, be My son and daughter!

Today, while it is still called today, enjoy My presence NOW! This year, We are breaking the yoke of fear, anxiety, doubt, and unbelief. One person walking with God is ALWAYS in the majority. These are the odds in your favor! There are no odds against you. OWN THAT TRUTH!

This is the year when you stop being double-minded. My promises are designed to restore your heart and renew your mind. This year, learn to trust simply and grow up in faith with favor.

Beloved, please do not be half-hearted in your response. INSTEAD, become delighted! I have assigned victory to your circumstances. Experience My joy and delight in you. See it as My kind intentions overwhelming your heart with joy, and overcoming whatever is against you! A winning disposition in the last situation increases the power of you creating another victory, next!

When you start from victory, what is possible next?

All things are possible in Jesus, so learn to be curious! Because in God all things are possible, that means:

There can be no problems in Heaven.

Christ in you is your Heaven on earth experience in the Kingdom, therefore, because of Christ residing in you, every problem on Earth comes with a possibility attached!!

We exchange the problem for the possibility and step into the simple and powerful trust in your new man identity.

We fight from victory, not towards it! Beloved, your real placement in Christ is this: *I have found favor in Christ. The Father will show me what favor looks like, just as He did for Jesus!*

The favor of Christ in you means that you cannot be diminished by anything. I know, I know....it sounds amazing. Like it's too big for you to comprehend, let alone receive.

Don't forget, I AM is with you!

Remember, every time you grow, you increase in trust, faith, and power. If you have a defeat, you don't diminish!! Christ in you holds you in His heart. You get the opportunity to take the test again and again until you pass. You have the joy of continued practice until you win! That is pure gold!

You have favor because you are in Jesus. Ask Me to show you the power of favor when you mess up. Favor does not degrade, nor can it downgrade you, because...Jesus in you is your Redeemer.

I love redeeming you. Creating the new, true you in My Son. All things are possible in My heart towards you.

Amen, thank you Lord.
